# HYDROALCOHOLIC GEL DISPENSER

## DISTRI GEL

**Delivered ready for use**

**Lightweight**

**Made in France**

**100% customizable,  
direct print**

**Universally compatible**

## TECHNICAL SPECIFICATION

Height	94cm
Diameter	11cm
Base dimension	43cm
Materiel	Aluminium/ composite
Usage	Indoor/outdoor
Weight	4,6kg

The Hydro alcoholic gel dispenser provides doses of gel without touching the machine thanks to the pedal at the bottom of the machine.

Lightweight and compact, manufactured in brushed aluminium, the appearance of this dispenser can be 100% personalised with direct printing. Delivered ready for use with a refillable bottle of gel.

Universally compatible: Its height can be adjusted and any type of bottle with a manual pump system and a long spout can be used.
